MAKE OFFICE LIFE EASY WITH CLASSIC CURVE

With Passage of time, **CLASSIC CURVE** has honed and redefined the way the core prime quality stationery business is handled by developing its best price model coupled with prompt services with speed and quick deliveries just in time; Hence it has outgrown many of the stationery stores known in this vicinity due to the continuous trust bestowed upon its existing & new clients, including on account of bellow mentioned glaring differences in customer servicing with delight; Hence is acknowledged as a leading one-stop-shop.

BEST QUALITY WITH BETTER PRICES / RATES

Our Experts with rich accumulated experiences hand pick all of the stationeries that we bring before you, from the Manufacturer & or their Stockist / Distributors; with whom we are in league for more than a decade is purely to ensure that you get "A" grade materials always at most reasonable price even with low volumes sought then, because of the rub off effects passed onto you with underlying best products and prices too, by us from our large scale buying operations, thereby bringing economic benefits to all with quick turnaround / distributions as against many holding hygroscopic stocks and then the same is passed on with its holding cost padded on to it unto the customers.

BEST SERVICES

With proper control on the entire components in this chain of supply of stationeries we are able to keep up with our commitment of all ways on time by adopting our won just in time management systems hence we are able to serve our client's with fresh stocks at supersonic speeds with full online communications and transparencies built therein; This has also helped our clients to hold reduced inventories & it holding cost too.
